JUDGE SETS NURSERY ROAD DAMAGES AT $6202

AMOUNT EXCEEDS COUNTY'S ESTIMATE; ATTITUDE OF SUPERVISORS UNCERTAIN

The California Nursery Company at Niles is entitled to a total sum of $6202.63 damage to its property if the proposed road through the grounds goes through.

Thus ruled Judge Leon Gray in the superior court in Oakland Monday afternoon at the conclusion of the condemnation suit with the County of Alameda versus California Nursery Company. The case began Friday afternoon and was continued until Monday.

This sum is much larger than the sum decided upon by county experts as damages, which amounted to approximately $2,-200, according to Ralph Hoyt, of the district attorney's office, who had charge of the case for the county.

The question whether the nursery road will ever be realized now rests with the board of supervisors. If they accept the sum set by Judge Gray, work on the road can begin but if it is rejected as too high the case will be dismissed and the road question dropped. It is not known what the definite attitude of the supervisors are at the present time, but it has been rumored that they are against paying the judgment set by the court.

It also has been reported that before the case came to trial that George Roeding, Jr., president of the nursery company, had agreed to settle out of court for $5000, which was refused by the supervisors.

Judge Gray ruled the nursery interests would suffer the following damages:

Land in question	$1500.00
Trees, including two palm trees and about thirty others	1067.50
Plant bins	18.50
Pergola of redwood logs	50.00
Sales house, including office, and bulb house	2018.83
Green house, two pieces of land	774.70
Fencing along proposed road at 50c a running foot	778.10

According to the testimony introduced by the district attorney's office, the land was only worth $1200; the damages at removal of sales house, $820; fencing could be furnished at approximately 10c a front foot. Other damages also were considerably below that given in the judge's ruling.

Land viewers who testified for the county were Isaac Parsons, of Hayward, and Henry Gansberger of Mt. Eden. For the nursery, R. C. Cottrell, and Mr. Woodward testified as experts.

The nursery's viewers in their testimony originally claimed $14,000 damages, which finally came down to $12,000.

Robert McCreary, of the district attorney's office, assisted Hoyt in the case for the county.

LATIN AMERICANS OF NOTE VISIT AT NILES

The management of the California Nursery Company, Niles, was host Friday to a distinguished party of Latin-Americans who are at present visiting in San Francisco.

Among those present were: Mrs. Concha de Martinez, wife of the president of El Salvador; Mrs. Anita Lopez Gutierrez, wife of the ex-president of Honduras; Mrs. Concha de Asturias, and her son, Rafael, who are wealthy plantation owners in Guatemala; and Mrs. Lola Hungo, who owns one of the largest nurseries in Central-America.

The tour of inspection was organized by Dr. Felipe Marquez, Jr., counsel general of Guatemala in San Francisco, and his wife.

A luncheon was given in their honor at the old adobe on he nursery grounds, and in the absence of George C. Roeding, Jr., president of the company, the visitors were greeted and shown around by the manager of the Spanish department, M. F. Sanchez, assisted by Mrs. Sanchez.

The guests were very favorably impressed by the size and importance of the establishment.

HALLOWE'EN PASSES SERENELY IN TOWNSHIP

Hallowe'en, with its traditional goblins and spooks, came and went Monday night, but as far as Niles was concerned it passed quietly.

With the exception of soap on a few windows and a little debris piled against the doors of some of the business houses on First street, very little mischief making occurred. No calls for peace officials were made throughout the evening, and no reports of any damage done, were received.

In Centerville the evening also passed quietly, while reports coming from other parts of Washington township indicated it was a quiet Hallowe'en.

INTIMIDATION SEEN IN TRY TO AID HIGH SCHOOL CAUSE

Students Availed To Get Parents' Support In Backing Faculty

In order to bolster their positions and policies in regard to the present management of the Washington Union high school, school officials are attempting to use the children to support their cause, and not only trying to use them, but intimidating them with insinuations of faculty disfavor if the children refuse or neglect to do as the authorities wish. These facts were revealed this week in the story told the Register by the mother of a little girl, who is a student at the high school.

The story began with the bringing home of the following card by the little girl for her parents to sign:

> "We, the parents of students enrolled in the Washington Union High School, are glad to acknowledge our full sympathy with and our support of the trustees and faculty in the management and operation of our High School and our entire confidence in them for the future."

The child begged her mother to sign the card, saying it would be hard on her if she didn't bring the signature in. From the child's story the mother gathered that the faculty had given the children to understand that a refusal to sign the card would be interpreted as a hostile attitude on the part of the parents and naturally such children would not rate very high in the blue book of the management.

For the past few months the faculty and trustees of the school have been under fire from the press and indignant taxpayers for their attitude in maintaining a system whereby teachers are allowed to hold down two, even three jobs during the present period of economic stress. The placing of these cards in the hands of every student in the school is the most outstanding of several attempts on the part of the school authorities to bolster their position in the eyes of the public.

Several weeks ago articles of propaganda were run in the school paper in an attempt to justify the stand of the faculty and trustees. In other communities where such propaganda has been inserted in the student publications, the practice has been severely frowned upon, not only by the citizens, but by the students themselves.

Citizens of Washington township are declaring that this last act on the part of the school authorities is entirely too high-handed to be tolerated. Dozens of angry people have called the Register during the past week protesting this autocratic attitude of Principal Rathbone, thus laying the majority of the blame for the act at his door.

An overwhelming majority of parents have refused to sign the cards. A few of the more serious minded and stronger-willed students would not even take the cards home to their parents. The principal resentment against the action was provoked by the attempt to intimidate the children. From the way in which the teachers put the matter before the children, it would seem that the students were practically "put on the spot." If they refused to take the cards home, or if their parents refused to sign, it was intimated that they would fare unfavorably in competition with the rest of the students.

NEW PEACE OFFICER TAKES UP DUTIES IN NILES AREA

Carrying out the plan announced by the sheriff's office several weeks ago, Deputy Sheriff Hugo Radbruch, of Pleasanton, is now on active duty as a peace officer in Washington township.

All criminal investigation cases will be under Radbruch's supervision and he will aid Constables O. W. Ebright, of Niles, and Constable Tom Silva, of Centerville, in other work connected with the sheriff's office. The new township officer will work out of Niles.

Assignment of Radbruch to this section came as a result of agitation caused by flagrant acts of hoodlumism and lawlessness in Niles and nearby vicinity.

Mr. and Mrs. J. D. Ferry and son, Frank, Mrs. Grace Justi and daughter, Melvina, and Mrs. Joe Rodrigues visited at the home of Mrs Thorp in San Jose Sunday evening.

NILES WOMAN DIES AFTER LONG ILLNESS

Mrs. V. Scott, for thirteen years a resident of Niles, died the Fairmont hospital in Oakland last Wednesday after an illness of three months.

Mrs. Scott was a housekeeper at the home of Frank Pemental, in Niles, at the time she became ill, and was known to many people in this community. She was sixty-four years of age.

The deceased came to Niles from Grant, Michigan, where relatives are living.

The body was being held at a Hayward mortuary this week, awaiting the arrival of the brother of the deceased from the state of Oregon before the funeral is held.

FISHING TRIP

Mr. and Mrs. Gladfred Viery, of Niles, Manuel Costa and son, of Hayward, and Clifford Viery, of Oakland, enjoyed a fishing trip to Bay Point Sunday. They returned with a large catch of bass.

YOUTHFUL OAKLAND RUNAWAY COUPLE CAPTURED AT NILES

Night Patrolman Roderick Interrupts Escape of Girl and Boy

Dislike at the very thought of returning to the routine of Monday morning school life which usually has its distaste for all pupils at one stage or another became too strong for Barbara Clark and Jack Buggard, fifteen-year-old Oakland step-sister ond brother, Sunday.

The two decided the best solution was to run away from home. But their escape ended at Niles early Monday morning when they fell into the hands of Night Patrolman Arthur Roderick.

The night officer noticed the two passing through Niles at approximately 2 o'clock a. m. The girl was dressed in boy's clothes. Upon questioning, the two said they lived near Mission San Jose and were on their way home. Roderick told them to step into his car and he would take them to their destination. After riding out of Niles for some distance and being unable to locate their "home," the couple confessed to the night patroleman they had run away from their home in Oakland Sunday noon.

Roderick turned the two over to Constable O. W. Ebright who took them immediately to the juvenile court in Oakland.

ENTHUSIASM DISPLAYED IN MOVEMENT FOR ADDED STATE HIGHWAY MILEAGE

Report of Hayward Meeting Presented to Niles Chamber Gathering

Definite steps toward obtaining more state highway mileage for southern Alameda county were taken at the meeting of representatives from various organizations in this section in Hayward Saturday afternoon, it was reported at the Niles Chamber of Commerce meeting Monday noon.

Niles was represented at the gathering by the chamber committee made up of Lester Duffey, Robert Blacow and W. B. Kirk. In presenting the report at Monday's meeting of the civic body, Duffey said that appoximately ten groups in this section of the county were represented at the Hayward meeting at which much enthusiasm in the state highway plan was evidenced.

A map drawn by E. A. Ellsworth, of Niles, which included approximately all the main traveled roads in southern Alameda county, was used at the Hayward gathering and the representatives were nearly unanimous in agreement upon the roads that should be taken into the state highway system in this secton, Duffey stated. Approximately thirty-five miles of county roads in Washington township are included on this map.

Duffey reported that a committee for the whole of southern Alameda county was appointed Saturday to take charge of the state highway movement. Robert Blacow was appointed treasurer of

Flames Raze Niles Department Store

Heavy Loss Caused By Early Morning Blaze

Fire which broke out at 5 o'clock a. m. Friday morning, gutted the Hadad department store, First street, Niles.

The blaze, thought to have originated from a short circuit in electical wire connections was subdued only after a hard battle by members of the Niles fire department. Dense and suffocating clouds of smoke from burning cloth goods in the store made fighting the flames difficult.

The fire destroyed much of the stock contained in the establishment and a large quantity was seriously damaged by water from the fire department's hose.

Approximately $10,000 damages including stock and damage to the building was caused by the blaze. It is understood that a trade association had the stock covered by insurance.

Alleged Niles Burglar To Face Superior Court

Jesus Rodarte was held to answer to the superior court on charges of burglary, in the Niles justice court Friday afternoon. Similar charges against Estobar Orta were dismissed by Judge J. A. Silva on grounds of insufficient evidence.

Rodarte is said to have entered the home of Manuel Leonis, in Niles, July 27 and stolen a quantity of wine, an automatic pistol, two Spanish blankets, and a phonograph.

HOLD PARTIES

Pupils of the Niles grammar school observed Hallowe'en by holding parties in their rooms Monday afternoon. On Monday night, the eighth grade entertained the seventh grade with a party at the grammar school.

NILES PIONEER IS CLAIMED BY DEATH

Another one of the pioneer residents of Niles responded to the final call Thursday morning of last week when Mrs. Guiteria Oliveria died at her home at 745 First street, Niles.

Mrs. Oliveria was born in the Azores Islands but had resided in Niles for the past fifty-five years. She was a prominent member of the S. P. R. S. I. lodge at Niles.

The deceased is survived by her husband, Joaquin Oliveria; two daughters, Mrs. Mary Lorenzo and Mrs. Charles Raddy; and two sons, Manuel and Bernardo Maderios.

Final rites were held at 8:45 Saturday morning at the home. The funeral proceeded to the Corpus Christi church, Niles, where requiem high mass was solemnized at 9:30 a. m. Father McCaul officiated at the ceremony.

Interment followed at the Holy Sepulchure cemetery, near Hayward.

EDITORIAL COMMENT

By NORMAN H. PARKS, Publisher Register

Choice Should Be Easy

No matter how the election may go otherwise, there should be no doubt on the United States senatorship. And yet, we suppose there is a doubt. That is the pitiable thing about politics. We were going to say, the pitiable thing about democracy. But we don't mean exactly that. We will not indict representative government. It makes mistakes, it is true, but commits no such serious errors as a dictorship that can never get away from heartless tyranny. But as we started out to say, there should be an almost unanimity of opinion, all on the side of William Gibbs McAdoo.

A man of magnificent ability who has used his great brain for the service of America and all its people, the voters should have no trouble in deciding between him and Tubbs, the youth, unexperienced in governmental affairs, who in the callowness of his verdancy thinks that you and we, in these times of tremendous stress, are thinking more of what we will drink, than getting food to eat for ourselves and dependents. There should be no difficulty, we repeat, in choosing between the ex-secretary of the treasury and Tubbs, the youngster, and Shuler, the preacher. The preacher, a good man, and a good talker, but a poor statesman, whose worst fault, perhaps, is that he is erratic.

Vote for McAdoo, a great man, a good man, and thank God, an American!

Remember Wm. P. Jost!

Most of us have been laboring under the unfortunate delusion that the election was all over, so far as it pertained to that of choosing a member of the lower house of representatives is concerned. That is not the case. Wm. P. Jost, incumbent, has opposition on the democratic ticket. This is going

DO YOU WANT YOUR TAXES INCREASED?

DO NOT BE MISLED!

Amendment No. 9 would cause the imposition of

A new State Income Tax on what you earn;
A new selective State Sales Tax on what you buy;
A new State Ad Valorem Tax on what you own.

Dr. David Prescott Barrows, Professor of Political Science, former President of the University of California has this to say about Amendment No. 9:

"This initiative measure proposes to transfer a further proportion of school support from the counties to the state. Its announced purpose is also to reduce local taxes on real estate and personal property. The latter object may be desirable, but there is reason to believe that this initiative measure would leave our tax system—and ultimately our land tax burden—in a worse situation than we have already. The measure *increases the cost* of education and compels the state to find the additional money. * * *
Proposition No. 9 should be voted down."

IT COSTS LESS TO KEEP THEM WELL
when your home is heated with Natural Gas

Women used to dread rainy days! When the weather kept the children indoors they were bound to become restless, playing about the house first in warm rooms then in cold. It was too much to expect of a busy mother to keep up a furnace-fire that gave whole-house warmth. But that was before Controlled Gas heating was available.

Today there is no excuse for part of the house being cold and part of it warm. Today there is no need either for bothersome fire-tending. Controlled Heat by Natural Gas is a truly carefree system of househeating that assures even "Comfort Zone" warmth in every room, regardless of the weather. Clean, quick-acting heat flows from Natural Gas heating equipment at a finger's touch on an electric button, key or automatic thermostat.

Once Controlled Heat was labelled with a high-cost price tag. Only the wealthy could afford it. Today, the low cost of Natural Gas heating equipment makes Controlled Heat available to thousands who have always wanted it but thought they could not afford it. Investigate this modern Natural Gas heating equipment at your local dealer's store or at the P. G. and E. Do it today—right now.

CONTROLLED HEAT
With gas fuel you can have maximum heat instantly available and keep it regulated to any temperature desired. Controlled heat from gas heating equipment is possible by merely turning a valve or handle, by pressing a button to get high, low or medium heat, or by setting an electric thermostat to automatically maintain any desired temperature.

REDUCE TAXES!

VOTE YES #5

CALIFORNIA is losing thousands of dollars monthly by failure to tax racing associations. This important medium of revenue can be utilized to reduce everyone's tax burden. Vote YES on Initiative Measure #5 on November 8.

INITIATIVE MEASURE #5

WILL REDUCE TAXES! By taxing racing, this measure will pay into the State Treasury an amount estimated at $1,000,000 a year! A vote on this amendment is not a vote for or against racing as racing will continue anyway. But if this amendment carries, racing will pay its proper share of taxes.

REGULATES RACING! This measure places race courses under the strict control of a commission appointed by the Governor, to rule on permits, limit duration of meetings and supervise the certificate system.

WILL REVIVE BREEDING! The lucrative field now utilized profitably by Kentucky, Illinois, Maryland, Florida and other States can be brought to flourishing proportions in California through the encouragement of thoroughbred stock farms, using a vast amount of agricultural products.

WILL HELP AGRICULTURE! One-half the revenue obtained from taxation of race courses will go to the State Board of Agriculture.

WILL HELP STATE VETERANS! The other half of the revenue obtained will go to the State Veterans' Welfare Board.

WILL ATTRACT TOURISTS! This measure will add greatly to the return of prosperity by attracting wealthy sportsmen and tourists to California.

DOES NOT INVOLVE OTHER SPORTS! A ludicrous claim has been made that #5 will tax all racing competition, such as college track meets, yacht racing, automobile races, etc., etc., both professional and amateur. THIS IS NOT TRUE! #5 affects only race tracks using the certificate system: a fact SUSTAINED BY SUPERIOR COURT DECISION!

WILL MEAN EMPLOYMENT! This measure will bring employment to thousands, either directly or indirectly. One track alone requires one thousand employees!

DON'T BE MISLED! #5 will help the taxpayer, the State, the farmer, the war veteran, the unemployed. In Chicago, the Hawthorne track paid the State of Illinois $120,000 in taxes in 48 days and made a good profit, besides! If Illinois racing can prosper under a tax of $2500 per day of racing, California tracks can well afford to pay $1500 . . . and still make money! Opposition to #5 is selfish, short-sighted and a high-handed attempt at monopoly.

"WELL, WHAT ARE YOU GOING TO DO ABOUT IT?"

The Challenge

To the fair-minded, square-dealing, neighborly people of California, Enthroned Monopoly asks the question. The voters of the State will furnish the answer on November 8.

The Issue

At Huntington Beach is one close to the hearts of Californians. The people should own the beaches, but at Huntington Beach an international oil corporation, in the enjoyment of monopoly, straddles a strip of beach like a giant spider, sucking up and consuming the natural wealth which rightfully belongs to city and State. Amendment No. 11 on the ballot grants to Huntington Beach the same rights reserved to other coastal cities of California, and affects only that strip of beach already claimed for oil production by private monopoly.

The Effect

Of the adoption of Amendment No. 11 will be to permit Huntington Beach and the State of California to share in the profits from the people's oil now being drained for the benefit of private monopoly through the drilling of offset wells, and thus materially reduce taxes for city and State.

SLUGGING ATTACK MARKS IRVINGTON BASEBALL VICTORY

Richmond Defeated Sunday by 14 to 3 Score at Irvington

Unleasing a savage batting attack the Irvington Reds baseball nine nearly advanced to the top of the Inter-City League standing by belting out a 14 to 3 victory over the Richmond American Legion tossers at Irvington Sunday afternoon.

The Red's batting barrage was featured by the slugging of Clarence Pine, Harry Rose and Wilbur Bettencourt, all of who hit safely three times in five trips to the platter. Pine hit a three-bagger, while Rose and Bettencourt each smashed out a two-bagger. Power poled out a circuit clout fo the Reds, while Holzen for Richmond smashed out a four-ply swat.

Frank Brown turned in a nice game on the hillock for Irvington and had the enemy batter eating out if his hands throughout the contest. He allowed only six safe blows.

Baseball is offered by the Irvington nine every Sunday afternoon. All games begin at 2 p. m. on the Irvington grammar school grounds.

CLUB LADIES HEAR POLL MEASURES EXPLAINED

A large and interested audience heard the address by Miss Martha Ijams, of Berkeley, on "Legislative Measures of the Election" at the meeting of the Washington township country club Tuesday afternoon in Centerville.

Pointing out both the desirable and undesirable elements of each provision, the speaker presented a thorough and comprehensive explanation of all the constitutional amendments up for the voters' approval. Need for a constitutional convention to eliminate irrevalent laws from the state constitution was stressed by Miss Ijams.

A vocal duet and two instrumental numbers by a group of Washington Union high school students under the direction of Salvatore Bellici were enjoyed by the club members. Two violin solos, "Marquita" and "Smiling Through," were rendered by Bellici.

An interesting report of the county federation meeting in Hayward last Thursday was presented by Mrs. Howard Chadbourne.

Mrs. F. O. Bunting entertained Mrs. R. H. Swayne, Mrs. Lloyd Swayne, Mrs. Alice James, and Miss Helen Swayne, all of Alameda, at luncheon Thursday of last week.

FIGHTING WASHINGTON TEAM TIES LIVERMORE

Cornhuskers Hold Cowboys 6 to 6; Play Superior Game

Roused to a new savage fighting spirit by the drubbing at the hands of Pleasanton two weeks ago, an awakened Washington Union high school football eleven upset dope Friday afternoon by holding the powerful Livermore Cowboys to a 6 to 6 tie.

It was a moral victory for Coach Jess Regli's men as they had not been conceded a chance with the husky boys from the Livermore hills who held Pleasanton to a scoreless tie and have built up an impressive record in other contests this year.

Statistics of Friday's contest reveal that the Washington gridders clearly outplayed their rivals and came through with what was easily their best game of the year. Up until the last two minutes of the game when Livermore filled the air with passes to score four first downs, the Cornhuskers rolled up twelve first downs to one for the Cowboys. The battle was fought chiefly in Livermore territory.

Livermore chalked up the first score in the second quarter when their safety man took a Washington punt on the Cornhuskers' thirty-five-yard line and sped the remaining distance to cross the goal line. The try for point was wide.

Washington came back in the third period to deadlock the score. With Frank Mederios and George Geib picking up huge gains through the line, and Rose skirting ends for additional yardage, the Cornhuskers drove sixty-five yards to the Livermore six-yard stripe from where Geib took the ball over the first play. Try for conversion failed.

Washington theatened late in the final period and it appeared as if the Centerville boys would win their first league contest this year. Taking the ball on their own thirty-yard marker, the Cornhuskers staged a march to the Livermore twelve-yard line. Here they lost possession of the ball only by two inches.

For the Cornhuskers, Frank Mederios stood out in the backfield. Being only a freshman, he showed promise of developing into a real star before his high school days are over.

In the Washington line, Herb Harrold was a strong bulwark which the Cowboys found difficult to overcome.

Friday afternoon, (tomorrow) Washington will meet the Emeryville high school elven on the Centerfield field. Emeryville comes with the reputation of a strong team, but if the Washington boys continue to display the brand of ball offered against Livermore, their prospects of victory are bright.

Starting Washington lineup Friday was Densmore, center; Wilson and Fuller, guards; Sinclair and Harrold, tackles; Rivers and Silva, ends; Geib, fullback; Raso, quarter; Rose and Mederios, halves.

WASHINGTON DROPS HAYWARD HOOP CONTEST

In a contest marked by low scoring on the part of both fives, Washington Union high school's Class C hoopers dropped a 11 to 8 decision to the Hayward basketball team last Thursday afternoon. The game played at Hayward was the first defeat r the Cornhuskers in southern Alameda county league competition.

Hayward took the lead from the opening whistle and never relinquished it throughout the contest although Washington made several threats. At half time the count read 7 to 4 for the Farmers. In the closing minutes, Washington brought the score to 9-8, but a Hayward field basket made the contest safe for the Farmers.

Sekigahama was high point man for the Cornhuskers with five counters.

Washington line-up was: Sekigahama (5), Masuda, Fudenna, (1) Lauppe, forwards, Dusterberry, Witherly, Masuda, centers; Brown (2), Kato, Tatto, Mune, and Nitta, guards.

M'CUTCHEON AND JEWELL HELD TO HIGHER COURT

Howard Jewell and Gordon McCutcheon, who assertedly swindled four Centerville people out of several thousand dollars through the sale of reported worthless gas securities, will face trial in the superior court.

This was decided in the Niles justice court Friday afternoon when Judge J. A. Silva held the pair to answer to the superior court at the conclusion of their preliminary hearing.

Three witnesses testified at Friday's hearing, which had been continued from the week previous.

Mrs. Ruth Blair Townsend related to the court how she had met Jewell and McCutcheon in Oregon this summer, and when they later appeared in Centerville, had introduced them to other Centerville residents who had either been "sold" by the two or had been approached on the subject of trading Transamerica stock for royalties in the Bertholet Dome in Montana.

Mrs. Townsend said she had purchased all of her royalties in the state of Oregon from Jewell and McCutcheon, who are charged with selling securities in the state of California without a permit. Deputy District Attorney George Perkins, however, introduced as evidence to the court, a document showing sale of royalties signed by McCutcheon which had been dated at Centerville.

Testimony of Miss Florence Blair, sister to Mrs. Townsend, and one of those who purchased Bertholet Dome securities, was similar to that of her sister. She stated that all her purchases had been in Oregon.

Attempts had been made by Jewell and McCutcheon to interest and sell Louis Ruschin, of Newark, gas royalties in Bertholet Dome in exchange for his Transamerica stock, according to Ruschin's testimony before the court Friday. Although he listened to their tales, the Newark man said he refused to buy from the pair.

Myron Harris, of the Oakland firm of Sullivan and Harris, quoted considerable law at the conclusion of Friday's hearing in moving to have the case dismissed. Judge Silva, however, considered the evidence introduced by the state sufficient to hold the two men to answer to the superior court. Leo Sullivan was not present at the Niles court Friday.

Niles Woman Gains Recognition As Poetess

this body, while Parker T. Braman, of Hayfard was chosen president, Walter Block, of Livermore, vice president, and C. F. Pefferle, of Castro Valley, secretary.

According to Duffey's report, a standing committe made up of representatives from the various communities in the area also was named. These representatives were C. I. Freeman, of Sunol; C. D. Letham, Pleasanton; Walter Block, Livermore; F. T. Dusterberry, Centerville; A. T. Biddle, Newak; August May, Decoto; R. J. Wright, Irvington; Peter Decoto, Decoto; August May, Alvarado; E. A. Ellsworth, Niles; and Sam Metzger, Mission San Jose.

Meetings of this group will be called in the future and further plans worked out.

Duffey also reportd that each organization is expected to contribute a sum of money toward the fund needed for expenses of the committee carrying on the work. These expenses are not expected to be very large and will consist chiefly of the cost of a new and accurately drawn map showing the roads proposed for the state highway system and for secretarial work. The Niles chamber expressed approval of contributing its share at Monday's meeting.

A meeting of representatives of organizations in Oakland, Piedmont, and other communities in that section of the county, interested in the state highway plan, was held in the auditorium at the enterance to the Mills College campus Wednesday night (last night) at which representatives from Niles were present.

Announcement was made by President F. V. Jones that Niles had met its quota in the Boy Scout fund drive concluded last week. At the suggestion of A. J. Petsche, captain of one of the Niles teams in the scout fund drive, a vote of thanks was given to Reverend E. G. Brinkmeyer, Mrs. George Rose, and Mrs. Tony Alves for their earnest and praiseworthy efforts in making the scout fund drive a success.

A communication was read to the chamber from the Centerville Lions club, inviting a representative to be present at the meeting of the Lions held last night in Centerville, at which plans for a township Christmas tree were discussed. A. J. Petsche was appointed by the president to be present at the meeting.

President Jones paid high tribute to the efficiency of the Niles fire department and stated the members deserve no little credit and praise for their unselfish volunteer work in keeping Niles and surrounding community safe from fire dangers at all hours. He urged members of the chamber to assist in maintaining this spirit toward the fire unit and to give the members the praise of which they have so meritoriously demonstrated they are deserving.

A. J. Rathbone, principal of the Washington Union high school, announced the play, "Anne What's Her Name?" which is to be held in the high school auditorium Thursday and Friday nights of this week. He also stated that the high school board of trustees are forced to make the purchase of two new busses as the California Highway Patrol have ordered two of those used at present out of service.

Harvey Braun announced the whist party to be held in the Veterans' Memorial hall, Niles, Saturday night, for the benefit of the Washington township Sea Scouts. The township American Legion post is sponsoring the party in order to help the scouts raise funds to equip their new boat.

Lester Duffey was appointed chairman to arrange for next week's meeting.

HALLOWE'EN PARTY

An enjoyable Hallowe'en party was held at tht home of Mr. and Mrs. Fred Barton in Niles Canyon Monday night. The evening was entertainingly spent in playing Hallowe'en games and cards, after which delicious refeshments were served. Those present were: Mr. and Mrs. Dan Marble, Mr. and Mrs. C. E. Lively and daughter, Mr and Mrs. Fred Barton, Mr. and Mrs. James Rosewarne, Verna Orcutt, Leonard Whitbeck, and Eddie Heppler.

ENTERTAIN AT DINNER

Dr. and Mrs. E. G. Grau entertained a number of friends at dinner and bridge at their home Saturday evening. In the rard play, Dr. John Wright won high honors, while Jack Williamson was awarded consolation. Those present were Mrs. Georgs Gaekthe and Miss Sophie Perry, of San Francisco, Mr. and Mrs. Jack Williamson, Dr. and Mrs. John Wright, George Erickson, and Dr. and Mrs. Grau, all of Niles.

Mrs. P. H. Moore was a week-end visitor in San Francisco.

How Old?

He doesn't look a day over fifty. And feels like forty.

At the age of 62.

That's the happy state of health and pep a man enjoys when he gives his vital organs a little stimulant!

When your system is stagnant and you feel sluggish, headachy, half-alive—don't waste money on "tonics" or "regulators" or similar patent medicines. Stimulate the liver and bowels. Use a famous physician's prescription every drug store keeps. Just ask them for Dr. Caldwell's syrup pepsin.

This appetizing syrup is made from fresh laxative herbs, active senna, and pure pepsin. One dose will clear up almost any case of headache, biliousness, constipation. But if you want to keep in fine shape, feel fit the year 'round, take a spoonful of Dr. Caldwell's syrup pepsin every few days. You'll eat better, sleep better and feel better. *You will never need another laxative.*

Give the children a little of this delicious syrup two or three times a week. A gentle, natural stimulant that makes them eat and keeps the bowels from clogging. And saves them from so many sick spells and colds.

Have a sound stomach, active liver and strong bowel muscles that expel every bit of waste and poison every day! Just keep a bottle of Dr. Caldwell's syrup pepsin on hand; take a stimulating spoonful every now and then. See if you don't feel new [illegible] in every way

Boy Scouts Start Campaign in Pleasanton

Thomas Orloff To Head Drive for Year's Quota in Pleasanton

Pleasanton, Livermore, Del Valle and Sunol Boy Scout committees opened a campaign to raise the four hundred dollar quota of their Boy Scout budget Wednesday, Thomas H. Silver, chairman of the eastern district finance and endowment committee revealed today.

The decision to hold the campaign immediately was made at a meeting of the eastern district scouters recently in Pleasanton, Silver said.

Heading the campaign in the various cities of the district are the following chairmen named by Silver: Livermore, E. J. Lawless; Pleasanton, Thomas Orloff; Sunol, George Johnson.

This money is used to maintain the field exectutive in that territory, his traveling expenses, office expenses, necessary office equipment, training expenses, pow-wows, and a prorata of the national organization expenses.

The field executive in that territory is Irving P. Beesley, field executive of the southern Alameda county of the Oakland Area council. His duties include recruiting new leadership, inducing institutions to support boys' work in their respective communities, organizing and conducting the training courses for leaders, supervising camps, and consulting with parents and leaders regarding specific boy problems, Silver stated in explanation of the uses to which this fund would be placed.

Scouts in that area, Silver added, because they are affiliated with the Oakland area council, have the privilege of using all the facilities of Dimond Camp, Dimond-O Sierra camp, the council training courses for both men and scouts, the services of the entire staff of trained leaders (such as our naturalist, craft expert, hiking and camping specialist), participation in council-wide activities (such as Sea Scouts, the Camporee, field day, swimming meet, archery tournament, Scoutmasters' Pow-wow, Scouters' Moot), and other activities carried on for the stimulation, inspiration, training and supervision of Scouting within the area.

Pleasanton Ladies' Aid Society To Give Social

Plans for a social, to be given this month was the business of the meeting of the Pleasanton Ladies Aid society Tuesday afternoon, according to Mrs. W. T. Nilson, president.

Editorial Comment

NORMAN H. PARKS, Publisher Register

to be a national democratic year. Many will vote the ticket straight and forget about a number of good republican friends who have served good government in and out of season. Jost is that type of man. He is the friend and champion of the farmer, the laborer—just common folks like you and us.

Go to the polls and vote your convictions on the Hoover administration—and if this be adverse, that is between you and your God—but don't punish some good men who are also running under the banner of the grand old party of the G. O. P.

Jost is a good man—and a good man is like consistency, a jewel. Keep Incumbent Jost in the legislature and be assured that the best interests of California will have an able champion from Alameda county.

Johnson Of Old

Hiram Johnson proves again that he still has that great personal magnetism that draws Californians to him and his creed. His speech in San Francisco was a magnificent oratorical effort, establishing anew his tremendous power as a campaigner. He still has the fire of youth, and men and women of progressive thought still admire him for his resourceful ability and splendid courage.

Doesn't Click

Prosperity didn't quite get around the corner in Nevada. In fact it's in reverse gear. Twelve banks close their doors. A financial moratorium in the land where a man is a man, a bootlegger a prince, and a moral leper, a social lion. With the bars down on vice and booze, the theory that the return of the saloon would bring back good times, doesn't quite click.

Recommendations On Amendments.

A majority of us people of California cannot vote the blanket ballot on November 8 in a really intelligent manner. Even the best informed people—men and women who have made a study of the questions, propositions and constitutional amendments submitted to the voters this year—cannot exercise their franchise in an infallible manner. Not only can they not hope to be infallible, but they canot be even certain in their own minds whether, when they vote, they are voting right or wrong—whether they are registering their honest convictions or, on the contrary, are being made monkeys of by some shrewd interests who are camoflaging an issue in such a manner that a man thinks he is voting for entirely a differet thing than in fact is true.

It is not the intention of the writer to say he is smarter than the average person. He, too, is befuddled over some of these initiative and referendum measures. On most of them he believes he has a clear idea of the intention of the proponents of the propositions and amendments. On these he will make recommendations. Here they are:

PROPOSITION NO. 1 (Wright Act Repeal)—Vote no. Should it carry, a reign of lawlessness will follow in its wake. There will be no restraining hand upon the traffic of bootlegging and attendant evils, except the federal government and its enforcement machinery is spread out pretty thin. Even an extreme "wet" should shy at this measure. Vote no.

PROPOSITION NO. 2 (State Liquor Regulation)—Stepchild of No. 1. Vote no for the same reason that you should vote no on No. 1.

PROPOSITION NO. 3 (Foreclosure of Mortgages and Trust Deeds)—Vote no. Our best friends among business men and trust companies and banks say it's bad. Believe they are right.

PROPOSITION NO. 4 (Removing Restrictions Upon the Use of State's Half of Highway Transportation Taxes)—Vote yes. Excessive gasoline tax has made possible the wasting of millions on unnecessary roads. Let some of this money go to other departments.

PROPOSITION NO. 6 (War Veterans Tax Exemption)—Vote no. Class legislation. Does not limit exemption to those seeing actual service at the front. No especial benefit to World War veterans.

PROPOSITION NO. 9 (School Funds; Income, Sales Tax)—Instead of decreasing tax on your real estate it will increase the tax. It is a "joker" bill put out by the school machine. It will increase your tax $10 on every pupil attending either elementary or high schools. Vote it down. The most vicious of all measures submitted.

PROPOSITION NO. 11 (Tidelands Grant to City of Huntington Beach)—Vote no. Save the beaches. There is but one crop of beaches and many crops of oil lands. Vote no, by all means. Save the ocean playgrounds for this and future generations.

PROPOSITION NO. 14 (Exempting Vessels from Taxation).—Class legislation. Vote no.

PROPOSITION NO. 15 (Deposits of Public Money)—Vote yes. Keep idle public money drawing interest.

PROPOSITION NO. 16 (Tax Liens)—Vote yes. Take the title cloud off property and save litagation. If property is not sold after thirty years for unpaid taxes that is the fault of public officials, and should be outlawed like a private debt.

PROPOSITION NO. 19 (City Charter Provisions for Nominations and Election of Officers)—Vote no. Tampering with certain constitutional safeguards. Let it alone. A dangerous business.

* * *

In conclusion, if you are in doubt, vote NO.

Pleasanton People Attend County Council Meeting

Delegates of the Pleasanton American Legion Post and Auxiliary attended the Alameda county council meeting at the Hayward memorial hall recently.

Reports were given of the work done by the units during the past month.

Those who attended from Pleasanton were Mr. and Mrs. R. W. Apperson, Mrs. Charles Fiorio, Mrs. Paul Pelle and Conrad Westling.

Hayward-Amador Game Changed To Thursday Nov. 10

Week-End Holiday Is Responsible for Switch From Friday

Hayward high school will play Amador at Pleasanton on Thursday, November 10, instead of on Armistice Day as originally scheduled. It was thought more desirable by both schools to play on a school day and allow everyone to take advantage of the holiday, especially as this falls on a week-end and many will want to be out of town. In addition, the Army-Navy football game at the California stadium in Berkeley will draw many.

This change will allow the students of both schools to follow the fortunes of their respective varsities without conflict with outside interests. A larger rooting section from the visiting school is assured by the change.

The game is scheduled for three-fifteen instead of the usual three-thirty, due to the latter part of the game being played in darkness at this late season.

The Hayward-Amador game is expected to be the big game of the season. The Hayward Farmers have taken the league championship every year. This year the Dons expect to battle for a tie with them, if not better.

Hallowe'en parties were held in all rooms of the Newark school Monday afternoon. Ice cream and cake were served to all.

BY JACK TOWNSEND

Scoutmasters M. Green and L. Pine and J. E. Townsend, troop committeeman, received their diplomas in scoutmastership and leadership at the closing ceremonies of the Oakland district council Informar held last week.

Plans are being made for an overnight hike for the Niles scouts in the near future.

BARBECUED STEAKS

Appetizing barbecued steaks turned out by the gifted hand of Chef Williamson from his famous grill, "St. Garlic," were in order Sunday afternoon as Mr. and Mrs. Jack Williamson entertained friends at their home on the Niles-Centerville highway Sunday afternoon and evening.

Those present were Mr. and Mrs. Donald Cruzan, Mr. and Mrs. Edward Soderburg, of the Oakland Tribune state department, Dr. and Mrs. J. Wright, and Mr. and Mrs. Jack Williamson, of Niles.

E. L. Yarbrough was a visitor in Newark Sunday evening.

Mr. and Mrs. Owen Swainson and Miss Anne Kling spent Sunday visiting in San Francisco.

Decoto Fire Department Fights Tennyson Fires

The Decoto fire department assisted in extinguishing two blazes on West Tennyson road Monday morning. The fire destroyed a home and a chicken house and did damage approximating $3000.

Tht chicken house was the property of Charles Pinker, while the home was recently erected by a San Francisco man whose name was not learned. Flames threatened to spread from the chicken house to a residence on the Pinker property, but the fire fighters succeeded in checking the blaze.

Whist Party Slated For Sea Scouts Benefit

In the effort to obtain funds to equip their new boat, the Washington township Sea Scouts are holding a whist party at the Veterans Memorial hall, Niles, under the sponsorship of the township post of the American Legion.

The Sea Scouts are comparatively a new organization in the township and are showing much enthusiasm in their work. A boat was obtained from the government cutter Bear, and the boys hope to raise money to provide it with adequate equipment.

Mr. and Mrs. Charles Morrison, and Miss Clorisse Goodhugh, all of San Mateo, were visitors at the home of Mr. and Mrs. F. V. Jones Sunday.

EVERY CRISIS BREEDS ITS OWN MASTER

We know that some Power unseen looks after this country . . . From time to time that "Something" takes one man and uses him.

It used Washington in '76
. . . It used Lincoln in '61
